

# A Big Picture Of My Bones

A social story for Kairav — Getting an X-ray when I might have hurt my arm or leg

1

My arm feels sore and uncomfortable. Bruno is here with me.

2

The big camera will take a picture of my bones. Milo thinks it looks interesting.

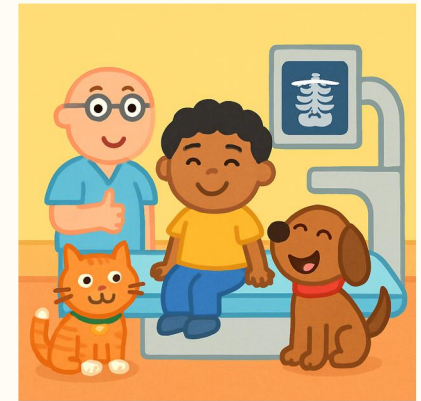

3

I wear a heavy apron on my tummy to stay safe. It feels like a warm blanket. Bruno and Milo are quiet too.

4

I stay very still and count to five. Bruno and Milo are quiet too.

5

Click! The picture is done. Now the doctor can see my bones clearly and help me feel better.
