

# Combing My Hair Gently

A social story for Kairav — Making hair combing comfortable and less overwhelming

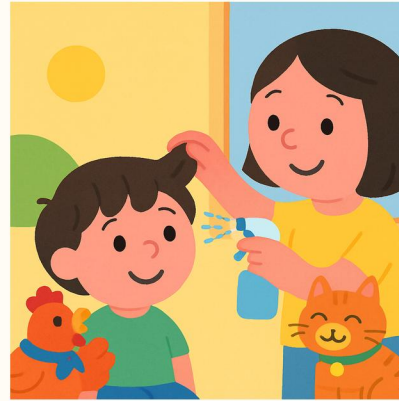

1

My hair has tangles from sleeping. Henny's hair has tangles too.

2

The comb can pull my hair. That makes me feel uncomfortable.

3

Mama sprays gentle water on my hair. She holds the top so it won't pull.

4

We start at the bottom with slow strokes. I can tap 'break' on Avaz anytime.

5

My hair is smooth now. No more pulling. I feel comfortable and done.
