

# Dadi Is Coming Home

A social story for Kairav — preparing for grandmother's extended visit and managing routine changes

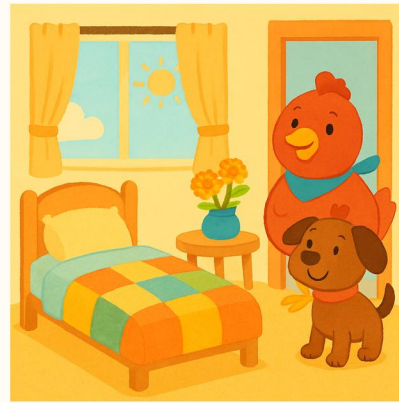

1

Dadi is coming to stay at my home for 7 days. Bruno and I are getting ready.

2

Bruno met Dadi last year. She gave him gentle pats and kind words.

3

Dadi will sleep in the quiet guest room. I will stay in my own bed.

4

When Dadi arrives, I can say namaste. This shows love and respect.

5

Dadi has her quiet routines. I have my routines too. Our home is full of love.
