

Green Things On My Plate

A social story for Kairav — trying new green foods with dip sauce to make it easier

1

I see green things on my plate. Green is a new color for food.

2

The green vegetable looks different. That is okay. I can try something new.

3

Mama made a dip sauce. It smells good. I can dip the green food.

4

I pick up one small piece. I dip it in the sauce. Now I can try it.

5

I tried the green food with dip. I am brave. Trying new foods is big work.
