

# I Can Choose

A social story for Kairav — Learning that I have choices and can make decisions for myself

1

Mama shows me an apple and a banana. I can choose this one or that one.

2

I look at both choices. Henny helps me think about my pick.

3

I tap my choice on my Avaz. I choose the banana.

4

Mama smiles big. She gives me the banana I picked.

5

I feel happy with my choice. Choosing makes me feel strong and good.
