

My Class Trip Day

A social story for Kairav — Going on a school trip with my class and feeling prepared

1

My class is going on a trip today. Henny tells us about the museum.

2

I ride the bus to the museum. I bring my Avaz with me.

3

I stay near my teacher. Bruno is my trip buddy today.

4

I eat my lunch at the museum. The food tastes good.

5

The trip is done. I come back to school safe and happy.
