

My Two Homes

A social story for Kairav — helping a child understand and feel secure about parents living in separate homes

1

Mama and Papa live in different homes now. I have two homes.

2

I have a room at Mama's home. I have a room at Papa's home too.

3

Mama loves me. Papa loves me. Both Mama and Papa love me the same.

4

Some days I stay at Mama's home. Some days I stay at Papa's home.

5

Both homes are safe. Mama and Papa both love me. I am okay.
