

Nana Is Gone

A social story for Kairav — understanding death and grief when a grandparent dies

1

Nana was very old and sick. His body was tired.

2

Nana died. His body stopped working. He cannot come back.

3

I feel very sad. Mummy feels sad too. Crying is okay.

4

I can look at Nana's photo. I remember good times with Nana.

5

I love Nana. I will always remember him. Love stays in my heart.
