

Pool Day Fun

A social story for Kairav — Going to the swimming pool and enjoying water play safely

1

Today I am going to the pool with Bruno and Quacky. The water looks fun.

2

I change into my swim clothes. Bruno helps me with my goggles.

3

The shower water feels cold at first. Then it feels nice and warm.

4

I hold my float tight. I kick my feet in the water.

5

When I feel tired I can get out. I dry off and have a snack.
