

Sharing at the Park

A social story for Kairav — learning to take turns and share playground equipment with other children

1

I go to the park with my friends. The park has swings and slides.

2

The swing is busy. Other kids are playing. I want my turn.

3

I can tell the other kids. I tap 'my turn next' on my Avaz.

4

I wait and count to twenty. Gigi and Bruno wait with me.

5

Now it is my turn! I swing high. My friends cheer for me. I feel happy.
