

Using The Potty

A social story for Kairav — Learning to recognize body signals and use the toilet independently

1

My pants feel wet. My body is telling me something.

2

I feel my body saying potty time. I can press bathroom on my Avaz.

3

I sit on my potty. The pee goes in the potty.

4

I flush and wash my hands with soap. I dry them with my towel.

5

I am dry and clean. I used the potty. I feel proud.
