

When Big People Are Loud

A social story for Kairav — Understanding that adult arguments are not the child's fault and families can heal

1

Mama and Papa had loud voices today. I could hear them talking with big feelings.

2

My tummy felt tight when I heard the loud voices. That happens sometimes.

3

The loud voices are not my fault. This is a big people problem.

4

Later, Mama came to talk with me. She said sorry for being loud.

5

My family is still safe. Love is bigger than loud voices.
